Notes:

[1] Certification fees are add-on fees to charges for Cyber Essentials (2025) – Classical Cybersecurity

[2] For first successful certification per eligible organisation – Organisations that had previously secured funding support for Cyber Essentials (2022) are not eligible.

[3] For first successful certification per eligible organisation for each digital technology pillar (cloud security, OT security, AI security)

(The above fees are subjected to prevailing GST)

Here are the eligibility criteria for Funding Support Application:

- Applicable only for the first successful Cyber Essentials certification per organisation
- Only Singapore-registered businesses SMEs and Non-Profit Organisations (NPO) incorporated in Singapore are eligible (refer to qualifying criteria).
- Organisations shall submit their completed application forms to TCSPL.

For more information on the grant, please visit the CSA website here.
